## Message from the President & CEO

Excellent news that Quick Zebra Services (QZS) have won another contract with Lulu Hypermarket, Saar Branch. This is an outstanding achievement to all of our hard working Team.

Another great news that IPC won more contracts and have successfully retained its major contract with The Ritz Carlton Hotel despite intense competition in the market. Well done to everyone concerned!

Our outstanding provision of quality trainings to our staff has grown from strength to strength, and the opening of our New Training Centre will allow us to grow and develop further over the years. This will support Dream Group with tenders and marketing, thus promoting the company to the highest standards.

We pride ourselves with commitment to our "Investors In People". Quick Zebra Services organized staff sports party on 22<sup>nd</sup> November 2018 and it was pleasing to see all of our staff enjoyed during the party.

I trust you find this month's issue interesting and look forward to advising you more of the exciting times in Dream Group in the coming months.
