Message from the President & CEO

The continued growth in Dream Pools, QZS and IPC is excellent to see and proves that High Quality of service is becoming a must for our Clients. It is vital to maintain this operational level at all times.

Great news that IPC have successfully retained major contracts with The Ritz Carlton Hotel and King Hamad University Hospital despite intense competition in the market. Well done to everyone concerned!

As we continue with our essential work in Quality and Safety Management, we will ensure that Dream Group delivers excellent quality of service to all our clients and within the group.

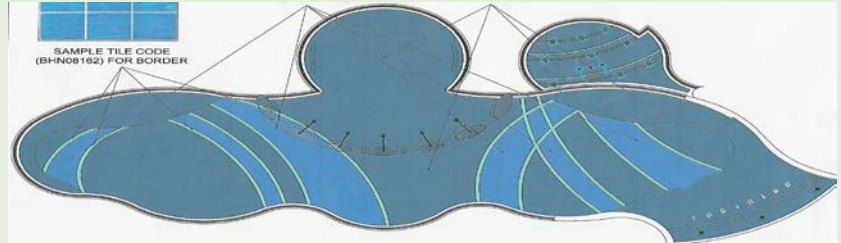

I trust you find this month's issue interesting and look forward to advising you more of the exciting times in Dream Group in the coming months.
