THE DREAM GROUP NEWSLETTER

Reg. No. CDGP 678 Issue No. 21 April 2013

## Message from the President & CEO

This month has been a very successful and productive month, our Turn Over figures are on target as per the Q1 predictions.

I am extremely proud to advise the launch of our new website which projects the correct image of our Group and delivers the quality information that our clients and staff have come to expect from Dream Group. A special mention goes to Maribel Red - GGM's PA for her endeavors in delivering this project with our Web designers.

Equally, we are very pleased that our first review of the TUV Nord Quality System ISO 9001:2008 passed its external review with No Non-Conformities which speaks volumes for the way our staff are delivering the Central Services and that of the true dedication of the members of Dream Group Quality Council and Audit Team in policing the Policies & Procedures.

Further, investment in quality accommodations has been provided to support the ever increasing demand from the Cleaning Division - QZS.

Dream Pools and NDT had a very successful outing at the Car show in Durrat Al Bahrain managing to sell almost every Golf Cart in stock. Well done to all involved.

**Mr. Jamal Alkooheji**  
President & CEO
