## BUSINESS UPDATES

### Message from the President & CEO

During this very quiet month of Ramadan, Dream Group continued to deliver services to all of our clients and whilst business is traditionally quiet during the holy month, multiple activities were delivered to support the Group's growth.

TV advertisements for Dream Home Furnishing were an outstanding success and our Coffee Table book was finally completed in time to deliver to our clients.

A new corporate video for QZS has been completed ready to roll out in our forthcoming marketing campaign.

Renovations for DG-HQ are progressing delivering Top Quality office facilities for our staff.

Protect Security Services won another Security contract this time for the Jaw & Askar Health Centre.

As we now move into Q4, our focus is on service delivery whilst preparing for FY13 so the hard work and dedication of our staff during the busy period is very much appreciated.

I trust you find this month's issue interesting and look forward to advising you more of the exciting times in Dream Group in the coming months.

**Mr. Jamal Alkooheji**  
President & CEO

### New Contract Won by PSS!

In month of July, a new contract has been awarded to PSS by Jaw & Askar Health Centre.

Under this new contract, PSS will supply 3 nos. of Security Guard to provide security services in the clients establishment.

During the same period, PSS has provided Security Services to King Hamad University Hospital for their free medical treatment campaign for Ramadan Kareem held in City Centre.

### Dream Group Headquarters Office Renovation

HQ office renovation is currently in-progress which reached its 50% completion this month.

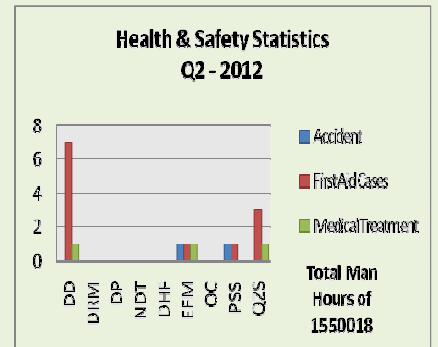

Dream Development is managing the construction which covers the offices area of the Senior Management, Meeting Room, Payroll, IT and Cashier's Room.

The renovation will transform the office into a more bright, sophisticated space with all new floor, wall finishes and lightings.

### Dream Group's Health & Safety

Dream Group's Health and Safety committee held the 9th H&S Forum in 29th July. As the Health and Safety Forum has conducted each month, there has been a substantial reduction in the number of incidents in the recent months due to the commitment shown by the committee to maintaining high standards of Health and Safety procedures. This will support the whole organization in driving up performance even further.
