BUSINESS UPDATES

Message from the President & CEO

As the financial Year comes to an end, our accounts department are busy preparing Year End figures for Audit. Early indications are that Dream Group have exceeded their business turn over target which has been a superb effort by all management and staff.

Our Health & Safety department has delivered more training working in close partnership with the Bahrain Fire Service.

Our Health & Safety Statistics are excellent for all of our companies which fully justifies the investment by the Group Senior Management in having a no tolerance attitude to unsafe practices. So, special thanks to all staff and our safety officers for their hard work.

Our cleaning contract at the Bahrain International Airport is fast approaching mid point and staff were given a mid term celebration party by management to show our appreciation for the superb service they have delivered making this contract a great success.

We look forward to an equal, safe and successful business Year in FY13.

I trust you find this months issue interesting and look forward to advising you more of the exciting times in Dream Group in the coming months.
