Message from the President & CEO

Another busy month whereby our Service Companies continue their impressive growth. After numerous years of trying, we have won the Cleaning Services at The British Club in Mahooz. Well Done to QZS Management and Good Luck!

We are very proud to announce that Dream One Fire and Safety Services are now fully operational and open for business. We welcome their first appearance in the magazine under the Company Profile of the Month.

A special Thank You to the two very brave firemen of PSS for their response to what could have been a major fire incident if it was not for their quick thinking.
