## Message from the President & CEO

The practical completion of Dream Pools pool construction project with Al Gosaibi, ARM Contracting and Anwar Residence speak volumes for our professional dedicated pools construction division delivering the project on time as per the project scope.

Quick Zebra Services is growing day by day. The new website and company brochure will now take our marketing for cleaning services to a high level in the public domain.

Another great success for our cleaning division increasing the current contract by 15 porters due to the high demand of these services to King Hamad University Hospital (KHUH).

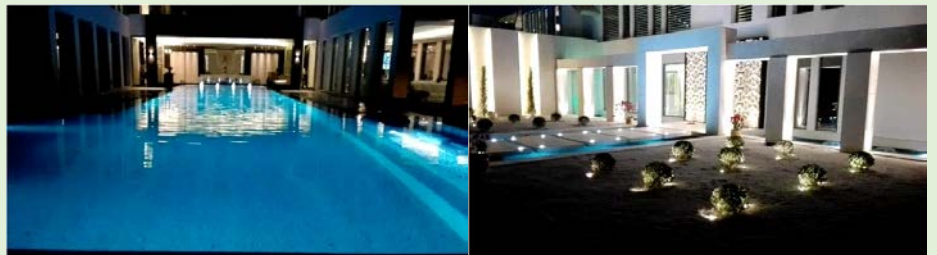

I trust you find this month's issue interesting and look forward to advising you more of the exciting times in Dream Group in the coming months.

President & CEO
