Message from the President & CEO

During this very busy period, our teams have been involved with a major marketing campaign at this year's Bahrain Gulf Property Show. All staff worked extremely hard in showing the general public all of our services which ended with many business leads. A special thank you to all Managers and staff for ensuring that everything ran smoothly during the event.

Great news to announce increased activities in Dream Development. New project for the construction of the 7-Storey apartment building in Damestan is on going.

Dream Pools have completed an excellent project in Ramada Hotel and have handed over an excellent Pool with Landscaping to the Hotel Management.

I trust you find this month's issue interesting and look forward to advising you more of the exciting times in Dream Group in the coming months.
