Issue No. 24

July 2013

Message from the President & CEO

As we head into our Third Quarter, we are busy submitting multiple tenders for all Divisions for new work to meet our year on year Growth Plan.

Major construction works are underway with our 27-Storey building (DV2) making steady progress.

The launch of I Pest Control (IPC) via QZS is a very important milestone for the Cleaning Division and may we wish the new Team of IPC all the very best of luck for the future.

Our Management Awareness benchmarking was a huge success which has improved knowledge and raised the bar in terms of management ability and knowledge of their roles and duties.

I trust you find this month's issue interesting and look forward to advising you more of the exciting times in Dream Group in the coming months.

Mr. Jamal Alkooheji
President & CEO
